Overall width.....	2.50 m
Length of track on the ground.....	3.13 m
Min. Ground Clearance.....	0.47 m
Track gauge.....	1.70 m
Track Width.....	0.60 m
Overall height.....	3.40 m
Length of body.....	2.60 m
Width of body.....	2.30 m
Machine weight.....	9.0 tonnes
Maximum payload.....	4.3 tonnes
Lift capacity.....	6 tonnes
Maximum travel speed.....	10.7 km/h
Ground pressure (unloaded).....	15.69 kPa
Fuel.....	diesel
Fuel tank capacity.....	130 litres

The Morooka MST800VD is designed for the carriage of heavy goods on difficult ground conditions around a site. The vehicle is equipped with wide rubber tracks rather than wheels, giving it a very low ground pressure, even when fully laden. This enables the carrier to access soft or boggy areas; such areas are often inaccessible to any other machine.

Lift capacities

Outreach [m]	Capacity [kg]
2	6,000
4.5	3,040
6.1	2,140
8	1,570
10.1	1,230
